Colonel Stanley J. Grogan
Central Intelligence Agency
Washington 25, D. C.

Dear Colonel Grogan:

I am returning the picture material which you were good enough to let us consider in connection with our article on the Central Intelligence Agency. I'm sorry to say we could not use this after all, as it did not turn out to be quite suitable for our layout requirements.

Thank you for your friendly cooperation.

Sincerely,

Douglas Borgstedt
Photography Editor
